

THE KING'S NUMEROLOGY™

ALEC BALDWIN

The Numbers of Tragedy

Part 2

Published: 10 November 2021

Note #1: The King's Numerology™ sends its condolences to all the families affected in the shooting tragedy of Halyna Hutchins. We wish everyone as peaceful and balanced a recovery as possible.

Note #2: This article is neither intended to extol nor defame Alec Baldwin. Its purpose is to show the relationship between his life events and his numbers in order to advance The King's Numerology™ as a science.

Note #3: It is illegal to post or publish this article or any King's Numerology™ works without permission from the author. If you would like to post or publish this article with appropriate attribution, please ask. It is the legal, ethical and proper thing to do.

THE NUMBERS OF TRAGEDY for Alec Baldwin do not end with the hepstack of 16-7 voided energy in his Umbrella and Nature discussed in Part 1 (<https://richardking.net/AlecBaldwin-TheNumbersOfTragedy-Part1.pdf>). Unfortunately, there is more.

Grand Pinnacle

Baldwin's Grand Pinnacle—the core of his 3 Lifepath—reveals a 7v/(4)/11-2 Influence/Reality Set. The 7v is actually a 16-7v, so the fuller equation of his Grand Pinnacle can be ciphered as 16-7v/(4)/11-2. (Grand Pinnacles are discussed in *The King's Book of Numerology, Volume 2 – Forecasting, Part 1* available at <https://richardking.net/books.htm> and [Amazon.com](https://www.amazon.com))

No two binary numbers in tandem generate more problems than the 16-7 and 11-2. The 16-7 can create chaos and turmoil while the 11-2 generates tension, conflict and stress. When these occupy the same IR Set, difficulties will manifest. When the 16-7 is voided, as it is in Baldwin's case, things get even more chaotic. His Grand Pinnacle (3rd Pinnacle) can then be ciphered as 16-7v/(4)/11-2. This period of his life was specifically active from ages 43 through 51 but generally active for his entire life because it is the core of his *Life Matrix*, which is the foundational structure of his 3 Lifepath.

Alec Baldwin's hepstack of 16-7v voided energy now expands to an octostack (8 stack). It looks like this:

16-7v 16-7v 16-7v 16-7v 16-7v 16-7v 16-7v 16-7v.

Baldwin's "D" Letter Timeline (LTL)

Each letter of the English alphabet has its own number. The letter "D" is the fourth letter of the alphabet and so its number is 4, which is also the number of years its energy is active. During the "Rust" drama, Baldwin was transiting the "D" Letter Timeline and its 4 energy. For him, this was active in the four year period from ages 61 through 64. Baldwin was 63 during this shooting tragedy.

When the #4 is added to the 12 Transition root of his 3 Lifepath, the outcome is a 16-7v ($4 + 12 = 16-7$). Therefore, the "D" Letter Influence/Reality Set Timeline for Baldwin was 4/(12)/16-7v during the shooting of "Rust." Adding this 16-7v LTL to his 16-7v octostack generates a nanostack (9 stack) of turmoil and tragedy.

16-7v 16-7v 16-7v 16-7v 16-7v 16-7v 16-7v 16-7v 16-7v

There's still more.

Personal Year Timeline (PTL)

At age 63, Alec Baldwin's Personal Year Timeline (PTL) is a 3/(13)/16-7v—the same IR Set as his life's Umbrella. This further expands the 16-7v energy in his chart to a decastack (10 stack).

16-7v 16-7v 16-7v 16-7v 16-7v 16-7v 16-7v 16-7v 16-7v 16-7v

Cycle Month (CP)

The tragedy of the "Rust" drama occurred in Baldwin's 7th Cycle month of October. As we recall, he was born in April. Counting forward, October is his 7th Cycle month. When the 9 (simple cipher of 63) is added to his 7v Cycle month, yet another 16-7v emerges, creating an eleven (11) stack of the Great Purifier.

16-7v 16-7v

Universal Timeline (UTL)

The Universal Timeline for 2021 (the year of the event) is a 5. When this 5 is added to Baldwin's 7th Cycle month, the result is a 3 ($5 + 7 = 12 = 3$). When this 3 merges with the 13 of Baldwin's Expression, the outcome is another 3/(13)/16-7v. The result is a 12 stack of its energy!

16-7v 16-7v

Unfortunately, this most horrific drama does not end with Baldwin's 16-7v twelve stack.

Halyna Hutchins

Halyna Hutchins was born *Halyna Androsovych* (Wikipedia). No other birth data was given. The name "Halyna" is a 7. The name "Androsovych" is a 9. Therefore, "Halyna Androsovych" is a 16-7 ($7 + 9 = 16-7$). Obviously, she was sadly the victim of Alec Baldwin, intentional or not. Her 16-7 energy, when added to Baldwin's twelve stack of 16-7v, generates a 13 stack for him! Such an amount is certainly a grievous quantity of the 16-7 Great Purifier.

Alec Baldwin's 13 Stack of 16-7v Energy on Thursday, 21 October 2021.

16-7v 16-7v.

Such a massive stacking of the 16-7v energy is extremely rare. The 7v amplifies the problem more than just a simple 16-7 because one of the negative characteristics of the 7 void is a lack of discretion, a lack of thought, analysis and examination. Clearly, Alec Baldwin was not thinking when he pointed that loaded gun at Halyna Hutchins before he pulled the trigger and killed her.

The most simple operative question is, "Why didn't Baldwin check the gun when it was handed to him?" Anyone who handles a gun is taught to check the weapon immediately when handed to them. Even if a person witnessed the gun being checked by another person, one must still check the gun again. This is common firearms protocol. Such protocol was not followed and the result was the death of Halyna Hutchins via a lack of Baldwin's thought and examination (7v)—a condition which has plagued Alec Baldwin his entire life, as the historic record of his life has proven . . . and continues to prove, sadly.

After learning from King's teaching, it is impossible to conceive of going back to that twilight, naive and foggy state of being where one can only guess or hint at the truths, motivations and directions of one's life that are Pre-King. - Hunter Stowers
