

THE KING'S BOOK OF NUMEROLOGY, Volume 11

The Age of the Female – Volumes 1 & 2

*A thousand years of Yang, gone. A thousand years of Him, been.
Now, a thousand years of Yin begin as the Cosmic Clock assures and
the Tides of Time secure . . . the next one thousand years belong to Her.*

The King's Book of Numerology, Volume 11 (KBN11) is a stand alone work of two books in one: *The Age of the Female – A Thousand Years of Yin* and *The Age of the Female 2 – Heroines of the Shift* (both works published separately in 2008).

The Age of the Female – A Thousand Years of Yin, corroborates the profound and extraordinary ascent of the female in the modern world and explains exactly why this 2nd Millennium belongs, not to Him (the Yang), but to Her (the Yin). It is an insightful, stimulating and consciousness-expanding read into this new thousand year period of time, offering compelling and irrefutable evidence through the King's Numerology™ that, indeed, the Age of the Female has arrived.

The Age of the Female 2 – Heroines of the Shift is not numerologically based. Rather, it continues the remarkable journey of the female's ascent in the 20th Century by honoring Her accomplishments in the categories of: Female Firsts, Female Nobel Laureates, Female Athletes, Female Icons and Female Quotations. These chapters are a rich source of inspiration, serving as a catalyst for every individual (male or female) to be the best he or she can be and to honor the very essence of what it is to be human.

~ TESTIMONIALS ~

"The Age of the Female" by Richard Andrew King is an affirming, guiding light, and "The Age of the Female II: Heroines of the Shift" – what fabulously inspiring company! ~ LaVerne Baker Hotep

I was mesmerized by Richard Andrew King's "The Age of the Female, A Thousand Years of Yin," which I finished in only two days. How unusual for a book about female ascension to be written by a male – an insightful and thorough male, I might add. Richard's work in numerology is well known, which is why I can accept as scientific truth what he portends regarding the ascent of female prominence in the world. Thank you, Mr. King, for bringing hope to all females of the world, perhaps the world itself.
