

AUTHOR'S INTRODUCTION

THE KING'S BOOK OF NUMEROLOGY, VOLUME 8 – FORECASTING, PART 2 (KBN8)

broadens and expands the knowledge of numerology forecasting into areas of greater depth and specificity, giving students and practitioners of this divine numeric science tools unknown heretofore, allowing them to rise to the zenith of understanding in decoding life and destiny, and once again proving that life is destined and that the blueprint of destiny is, indisputably, secretly hidden in our birth names and birth dates. Indeed, God did not drop us here without a plan or a way of knowing that plan if we so choose.

Subjects covered by chapter in Part 1 of KBN8 are:

- The X-Y Paradigm
- Cycle of Nines
- Timeline Transitions
- Lifetime Monthly Timeline (LMT)
- Annual Cycle Patterns – Monthly Timelines
- Monthly Cycle Patterns (MCPs)
- Life Changes and the Number 5
- Master Filters
- Master Amalgams
- Crown Roots/Pillars
- Addresses – Homes and Businesses
- Numerology Forecasting – Step-by-Step Analysis

Part 2 of THE KING'S BOOK OF NUMEROLOGY, VOLUME 8 includes the entire King's Numerology™ 2016 Presidential Election Article Series with its ten articles highlighting the election's numerological process, a series which began on 4 March 2016. This article series is included because it offers an excellent example of forecasting based on numbers, specifically those of Hillary Clinton and Donald Trump, with one article devoted to Bernie Sanders. Political pundits, surrogates, the media, etc., forecasted that Hillary Clinton would be the 45th President of the United States right up until the day of the election. However,

they all got it wrong. An analysis of numbers, not punditry, proved triumphant, reasserting the power of the divine science of numeric coding. Followed step-by-step, these ten articles clearly reveal the reality that destiny is, truly, in our numbers.

The ten chapters of the 2016 Presidential Election article series comprising Part 2 of KBN8 are:

1. Turbulent 2 Landscape
2. Clinton/Trump – Contrast of the 99ers
3. Feelin' the Bern?
4. Hillary Clinton's Coming Tsunami of Darkness
5. Donald Trump – Megaquake of Change
6. 1st Presidential Debate – Dueling Octostacks
7. Hillary's 16-7 August Quintstack Review – A Titanic Headache
8. Donald Trump and the #88 – A United States President?
9. Hillary's Tsunami of Darkness Makes Landfall Right on Schedule
10. Final Numeric Notes in a Nutshell

On a personal note, it is fitting to again proclaim that The King's Numerology[™] system is not mine but God's. There is only one King in this creation and that is God. Whatever knowledge I share comes through me, not from me. I use the name "King" eponymously because it works as an identifier, but please know that the "King" in the title of my books and system is a direct reference to the Divine system of numbers God created. I'm just doing my duty in passing the knowledge of numbers, as it has been given to me, to others for the benefit of those who choose to use it.
