## Once Deceived

© Richard Andrew King

Once deceived, forever done;  
it is a simple rule.

Once deceived, forever done;  
release the errant fool.

Once the glass is shattered,  
no contents can it hold.

Once the glass is shattered,  
the story's done and told.

Deceiving is a shattering  
of the glass of love and trust.  
Once deceived you must relieve  
the deceiver and adjust.

**B**ernard Lawrence "Bernie" Madoff (born 29 April 1938), American businessman and former chairman of the NASDAQ stock exchange, operated the largest investor fraud scheme by a single individual in history. Client losses are staggering, a projected \$65 billion dollars. Those who were deceived included banks, investors, charities and individuals, but those affected are in the millions, if not billions, by indirect analysis. Forensic psychiatrist, Dr. Michael Welner, believes Madoff was able to continue his ruse because he was detached from both the transaction and the consequences, describing Madoff's behavior as "organized crime" requiring a "master mind." Dr. Stanton Samenow, author of *Inside the Criminal Mind*, describes Madoff as a narcissist, thus being able to shut off whatever elements of conscience he has [[http://en.wikipedia.org/wiki/Bernard\\_Madoff](http://en.wikipedia.org/wiki/Bernard_Madoff)].

How does an individual dupe and deceive so many people? What is it about a man that he is so openly trusted, yet so secretively untrustworthy, he is nicknamed the "Jewish T-Bill," a man so cold and callous he has no concern for the financial, emotional, psychological and familial well-being of others, a man so powerful and charismatic he could deceive the powerful and charismatic? His numerology chart offers many answers. Let's take a look.

**Basic Matrix** [Voids: 7 and 8]

Madoff's Basic Matrix includes the Master ciphers 11-33-44 and partial master, 188. He also has a 66 in his 5th House of versatility, motion and *man* contained within his Specific Inclusion [reference: [The King's Book of Numerology, Volume I, Foundations & Fundamentals.](#)]

**Bernard Lawrence Madoff - Basic Matrix**

Roots ↓	Lifepath	Expression	PE	Soul	M/S	Nature	M/N
<b>Simple</b>	<b>9</b>	<b>8</b>	<b>8</b>	<b>6</b>	<b>6</b>	<b>2</b>	<b>2</b>
<b>General</b>	36	98	134	24	60	74	110
<b>Specific</b>	54	<b>188</b>	242	<b>33</b>	87	155	209
<b>Transition</b>	18	26	<b>44</b>	15	<b>33</b>	<b>11</b>	<b>38-11</b>

First, let's take a look at the simple [single] ciphers. Madoff's Lifepath is a 9. Therefore, the road in life he is to follow, the script he is to read, the energetic world of his journey from birth to death will be on the public stage and within the Milieu of the Many. His Expression [natal name] and PE [the role of his life, Performance/Experience] are both 8s, thus placing him, his abilities and reality in the field of business, commerce, social interaction, involvement and worldly success. It's important to note that 8 is void in his chart. His 6 Soul and Material Soul reference his desire for family, love, pleasure, communication and community. The 33 Master roots of the 6 indicate a possible addiction of some kind, most likely to image. His 2 Nature and Material Nature place his personality in the field of relationship, others, inspiration, support, analysis, deceit and treachery.

The issues of note, however, to many of these simple Basic Matrix ciphers are the underlying master numbers. Madoff's Specific Expression is a 188. This references direct action (1) on the extremely and powerfully interactive 88 vibration which on the one hand is manifested in charts of highly evolved spiritual souls such as Saint Charan Singh, Mother Teresa, Albert Einstein, Albert Schweitzer and Abraham Lincoln but on its reverse side is reflected in the murderous soul of Joseph Stalin and the General Expression of Ashley Dupre, the call girl at the center of the prostitution scandal involving New York Mayor Eliot Spitzer in March of 2008. One must always remember that master numbers are dual in their manifestations, just like everything in this duality-based dimension. Of major note is that 8 is void in Madoff's chart, creating a more realistic ciphering of the 188 triroot to 18v8v. This illustrates a deep sense of disconnection and detachment in his interactions and involvement with others.

Adding to the negative power of Madoff's 8 is the 44 master number in his PE, the role of his life. Forty-four is the most potent energy of administration, orchestration, operation, command and

generalship there is. The problem, of course, is that he used its energy for nefarious purposes, for personal gain and social power, for bilking and swindling people who trusted him. This is obviously nefarious manipulation, orchestration and malefic management.

And then there are the 33 master ciphers in his Soul and Material Soul. Thirty-three is the most powerful energy of artistic self-expression, pleasure, joy, communication and image of all the master numbers. It is eleven times three, Three being the single cipher of self-expression and potential addiction to one's own image, pleasures, joys, identity. When elevated eleven times, the Three runs the risk of becoming self-absorbed and narcissistic, a characterization made of Madoff by Dr. Stanton Samenow. A concentration of Three energy can also be seen in the chart of American football player, Terrell Owens [T.O.], the narcissistic pro who, although an excellent player, has been an obvious pain and problem to many NFL teams because of his over-expressive ego. This 33/6 energy is also often prevalent in the charts of Hollywood actors and actresses who have a strong connection to their own image and celebrity.

In his deepest sense of self, Madoff was all about image and pleasure. It's one thing to have a 33 in one of the soul components of the Basic Matrix, but both? That increases the chances of the energy to move from boon to burden. Furthermore, the 33/6 master number was Madoff's 1st Pinnacle, active in his chart from birth to age twenty-eight. To quote from *Number News* edition #60 in December of 2006: "No Master Number has probably destroyed more souls than the Thirty-Three/Six (33/6) nor lifted souls to the most supernal heights of love and joy. Thirty-Three is a potent energy of either extreme addiction to carnal pleasure or elevation to immense creativity, joy, love, harmony and personal bliss." It is also this 33/6 energy that allowed Madoff to communicate with his targets in nurturing words. The 6 is the most personally loving and nurturing single vibration of the alpha-numeric spectrum [the single ciphers 1 to 9] and with its 33 root it would potentially give anyone a silver-tongued ability to deceive people with words. Can you say "wolf in sheep's clothing?"

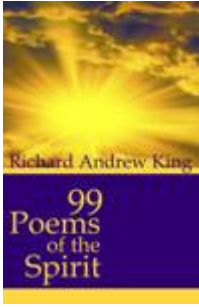

To compound this triple dose of 33/6 energy in Madoff's soul components and his First Pinnacle, is the 66/3 energy in his 5th House of his Intensity Table. Here is another energy of communication and personal love. The 5th House rules diversity, versatility, variety, motion, movement, experience. The number 5 is the Number of Man, as it is the fulcrum of the alpha-numeric spectrum and that number which all people have in common more than any other number: five fingers on each hand, five toes on each foot, 32 teeth (a 5 in reduction), 365 days in a year (5 in reduction), five circles on the Olympic flag, and so forth. Because it is located in the center of the spectrum, it can move fluidly up and down the numerical scale with great ease, which Madoff could do and did do - all with the purpose of using love and nurturing ( the 66 energy ) to communicate ( the 3 ) and serve his own pleasure.

Madoff also had a pair of Elevens (11s) in his Nature and Material Nature. Eleven is a powerful energy of inspiration and partnership. It is the most common master number. It can be extremely helpful and supportive. Yet, on its flip side it is the primal energy of deceit and treachery, and was this not Madoff's personality, to be deceitful and treacherous? The wolf strikes again . . . to the tune of nearly \$65 billion.

There is much more to the chart of Bernard "Bernie" Madoff that explains his behavior. We'll address it in Bernard Madoff: Part 2.
