VLADIMIR PUTIN IS A WAR CRIMINAL as defined by international law. His ruthless and unprovoked attack on the sovereign country of Ukraine—killing innocent women, children and its private citizens—is proof enough to label this heinous man a war criminal. Simply, Vladimir Putin is a thug, killer and destroyer, possessing a blood-thirsty quest for power and dominance. More accurately, Putin is a heartless evil tyrant who will do anything to satisfy his Gluttony of Evil. He's no hero. He's a monster.

WAR CRIME: DEFINITION

United Nations—Definition of a war crime: "Grave breaches of the Geneva Convention" in the following acts: willful killing, torture or inhumane treatment, willfully causing great suffering or serious injury to body or health, extensive destruction and appropriation of property not out of military necessity and unlawful deportation or transfer of unlawful confinement. BASIC MATRIX

Vladimir Vladimirovich Putin was born on 7 October 1952 (Wikipedia). What do his personal profile numbers say about him? Let's take a look.

First, however, let's remember that all numbers have two sides—positive and negative. The side of the coin Putin is working from is, obviously, the negative/dark side of every number in his Basic Matrix. Note, however, that another person may have the same numbers but be manifesting on the positive side of every number, so please keep this in mind as we see what Putin's numbers reveal.

Lifepath (LP)	Your life script, path in life, lessons to learn, energy world

Material Soul - MS	The field in which the Soul plays itself out

Voids	Missing energies in the natal name

Lifepath & Expression

Putin's *Lifepath* (the script of his life) and his *Expression* (who he is in total) are both a 16-7. The 16-7 in the King's Numerologytm is known as the *Great Purifier* because it is filled with more purifying fire than any other number. To note, though: not all 7s have a 16 root. Keep that in mind.

On its dark side, the 16-7 exhibits an energy of turmoil, hate, strife, struggle, chaos, heartache, heartbreak, betrayal, destruction. The 16-7 can be extremely cold, callous, calculating and ruthless.

The 16-7 *Lifepath* is, arguably, one of the most challenging Lifepaths of all. The 7 by itself represents the energy of analysis, examination, isolation, privacy, solitude, internalization, study, assessment, discretion. The 16-7 Lifepath often forces people to be alone, aloof, indifferent, distant and private. The 16-7 is not a social energy.

Putin's *Expression* (who he is) is also a 16-7, the dark side of which can manifest as an evil soul, which his actions have proven. Putin cannot be trusted and he will betray anyone who gets in his way. He's proven this with his own countrymen. Putin's evil is visible to the whole world. No one except the most demented and deranged person would kill innocent women and children.

Major note. Having the 16-7 in both his Lifepath and Expression can be a dangerous combination, especially since the Lifepath and the Expression serve as Filters for IR Sets (Influence/Reality Sets). Because of this dual 16-7 energy, *every component* of Putin's numerology chart is saturated with evil. This does not mean other people with the 16-7 in both their Lifepath and Expression will be evil, but it's clear by his own actions that for Putin the 16-7 energy is evil. His life is proof positive of the negative aspects of the 16-7 energy.

In Putin's case the 16-7 Expression is the Filter for all eleven components of the Life Matrix (Epochs, Pinnacles, Challenges), Decade Timelines, the Cycle of 9s, Monthly Timelines and Annual Cycle Patterns. The 16-7 Lifepath is also the Filter for every Letter Timeline, Name Timeline, Material Soul and Material Nature.

It is this 16-7 saturation throughout his entire chart that can generate mental problems and instability, as well psychological, physical and emotional distance, which has been very noticeable in Putin's press releases showing him at the end of an exceptionally long table, as well as creating an abnormal distance between himself and others when he is in a group of people.

Putin's entire life, in every aspect of his life—from birth to death—is filled with darkness, chaos, betrayal, negativity. Vladimir Putin is not a happy camper. In fact, he has no clue what happiness is. He is the embodiment of chaos, darkness and evil.

Performance/Experience (PE)

The PE is the performance given when the actor/actress (Expression) performs a script (Lifepath). This triad of the Lifepath, Expression and PE create the *Umbrella*. In Putin's case, when his 16-7 Lifepath merges with his 16-7 Expression the result is a 32-14-5 PE. The 5 PE represents change, freedom, movement, diversity, loss, detachment, versatility, adventure, variety. The critical issue is that Putin's 5 PE is derived from two 16-7s! This means that the 14-5 outcome is overflowing with turmoil, chaos, negativity. Thus, this 16-7/(16-7)/14-5 IR Set is overflowing with potentially destructive and chaotic energy, which he is clearly demonstrating through his ruthless invasion of Ukraine.

Soul & Material Soul

Putin's Soul is an 11-2. This manifests as a primal need, want and desire focusing on others, relationships, conflict, contention, competition, division, deceit and treachery. His Material Soul (MS) is a 99-9 and represents a worldly desire and need to be powerful, dominate, domineering and the ruler. No Master number is more dominant, powerful and ubiquitous than the 99-9. Basically, Putin salivates for power, dominance and rulership on a massive scale. He loves to sit on his throne—an evil throne at that.

The 11-2 Soul and 99-9 Material Soul wreak of "dominance (9) in relationship (2)." This combination drives Putin more than anything else. Remember, the Soul and Material Soul reveal a person's deepest and most pressing needs, wants, desires and motivations. Obviously, such attributes fit this 21st Century thug, despot and wanton "Stalin-esque" murderer to a "T". Arguably, Putin is a megalomaniac—an individual possessing a lust for omnipotent power.

Nature & Material Nature (MN)

Putin's 77-5 Nature and 3 Material Nature reveal a personality that is sneaky, secretive, private, analytical, (77); versatile, mercurial, active, detaching, unpredictable (5) but also quite image conscious, vain and communicative (3). This is clearly visible in his antics of not wearing a shirt when riding a horse, or scoring multiple goals while pretending to be a real hockey player. He cultivates these images of himself because of his vanity and need to be watched.

LIFE MATRIX

The *Life Matrix* (LM) is the internal structure of the Lifepath (LP). It is derived from the day, month and year of birth. The Life Matrix contains eleven components. These are: 1st Epoch, 2nd Epoch, 3rd Epoch; 1st, 2nd, 3rd and 4th Pinnacles; 1st, 2nd, 3rd and 4th Challenges.

These eleven Life Matrix components all have their own specific timelines. As this is a simple article, we won't go deeply into them here. However, they are fully discussed and explained in *The King's Book of Numerology, Volume 2: Forecasting - Part 1* (available at Amazon.com and RichardKing.net/books.htm).

Of the eleven Influence Reality Sets contained within the Life Matrix (LM), the number on the left (see LM image below) represents the L.I.S.T. (Lessons, Influences, Subjects, Themes); the number in parentheses is the Filter, and the number on the right is the R.O.P.E. (Reality, Outcome, Performance, Experience). What is of critical note is the thirteen 16-7s in Putin's Life Matrix: eleven serve as the Filter for the Epochs, Pinnacles and Challenges; one resides in the 2nd Pinnacle ROPE; the other is in the 2nd Challenge LIST position.

These thirteen 16-7 energies form a major internal structure of Putin's Life Matrix. When Putin's 16-7 Lifepath and 16-7 Expression are added to the thirteen 16-7s in his Life Matrix, the count rises to a fifteen stack of the Great Purifier! This is not good. In fact, it's very dark. Sadly, it gets worse, as we'll soon see.

LETTER TIMELINE OF PUTIN'S INVASION

Putin's invasion of Ukraine began on Wednesday, 23 February 2022. This was only four months after he entered two nine year periods of a 9/(16-7)/16-7 timeline! These two 16-7 IR Sets are manifested in the letters "I" and "R" of his middle name "Vladimirovich." Numerologically, the timing was perfect, however dark and demonic his actions were and are. Adding these four 16-7s to his fifteen stack generates a whopping nineteen stack of Great Purifier energy! Ouch!

PUTIN'S 70s DECADE

When Putin turns 70 years of age on 7 October 2022, he will enter a ten year period (age 70 through 79) whose Decade Timeline IR Set is 7/(16-7)/14-5, thus expanding the number of 16-7s in his chart to a staggering 20 incidents. This is practically unheard of and it clearly reveals the relationship between his massive stacking of 16-7 energy and its manifested reality. Added to the litany of 16-7s in his life up to now, the 70's Decade will compound his evil nature and miserable life.

SUMMARY

Unquestionably, Vladimir Putin is a war criminal and needs to be treated as such. As his numbers reveal, he is the exact person the world knows and sees him to be—a deranged, heartless, power hungry, black-hearted, evil destroyer of innocent lives. A twenty Stack of 16-7 energy spells extreme turmoil, chaos, hardship, heartache and heartbreak—not just for Ukrainians and other countries but also for the Russian people themselves and . . . especially for Putin himself. As we recall, one of the major manifestations of the number 16-7 is betrayal, and Putin, in the remaining years of his demonic life, may well be betrayed . . . or worse. Et tu, Putin!
